This is a follow up to a previous request:

To Whom It May Concern:

Pursuant to the Freedom of Information Act, I hereby request the following records:

All documents pertaining to the webinar "Recognizing Gang Activity in Schools" including - but not limited to - the following:

- Presentation file(s) or slides
- Internal notes regarding the webinar presentation
- Video or audio recording(s) of the webinar presentation
- Emails regarding the webinar

This webinar was presented on September 20, 2019. (see: <https://registration.iir.com/OJJDP/Webinar/8259>)

Please also see the following description of the webinar as an aide in retrieving the responsive records: "The Office of Juvenile Justice and Delinquency Prevention, in collaboration with the National Gang Center, will host a no-cost webinar titled "Recognizing Gang Activity in Schools." This webinar presents formal and informal techniques to recognize signs of gang activity in a school setting. Establishing reliable evidence of gang presence in and around a school depends on sharing and validating information among school personnel, youth service providers, and local law enforcement. Taken together, these means of authenticating information establish a more accurate picture of the level of disruption and threat to school safety posed by gang activity."

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

J Ader
